Dear Mr. Major:

Re: OMERS Primary Pension Plan (OMERS)

Thank you for your email of March 15, 2018, addressed to Mr. Brian Mills, Chief Executive Officer and Superintendent of Financial Services, concerning the governance of OMERS Sponsor Corporation (SC). Your letter has been forwarded to me for a response.

We note that SC's notifying email sent to you, which is referenced as attached in your email of March 15, 2018, was missing. Based on the information provided, we understand that one of SC's mission is to monitor and manage the financial health of the OMERS pension plans, therefore, it appears that a comprehensive plan review process is part of its funding and management administrative strategy.

We would suggest you continue to communicate directly with SC and OMERS Administration Corporation (AC) for any concerns you may have. The Financial Services Commission of Ontario (FSCO) administers the Pension Benefits Act (PBA), which is the legislation regulating pension plans in Ontario, and FSCO only has authority to enforce the requirements of the PBA and the terms of a pension plan as filed with FSCO.

In respect of general actuarial assumptions and methods used for actuarial valuations, you may wish to refer to FSCO's policies posted under 'Actuarial Guidance Notes' at page 1143 of FSCO's website at www.fSCO.gov.on.ca (use the Find Page feature at the bottom right hand corner of any page of our website).
