Mr. Marshman, Chair - Board of Directors
Toronto Community Housing Corp. (TCHC)
931 Yonge Street
Toronto, Ontario, Canada M4W 2H2

Dear Chairman Marshman:

I have been directed by the COTAPSA Board of Directors to follow up on my July 2018 letter and request information as to the status of the third party investigation undertaken in 2018 by Toronto lawyers Rubin Tomlinson looking into the HR practices of the TCHC.

COTAPSA, through both its TCHC members and some non-members, has over the years received numerous complaints and concerns regarding HR practices at TCHC and resultantly we felt obliged to meet with the investigator to flag those concerns and provide documentation. I should add we continue, to this day, to receive these same complaints.

Our TCHC members have asked us about the investigation – when is it to be received by the TCHC CEO and its Board and will it be made public?

We look forward to hearing your response which we will then share with our members.

Regards,
