LETTER TO PREMIER DOUG FORD REGARDING AN OMERS INVESTMENT PERFORMANCE REVIEW

On March 16, 2022, COTAPSA sent an urgent letter to Premier Doug Ford to assert our support of CUPE's request for an independent review of OMERS' investment performance, governance and accountability measures.

COTAPSA believes that this review should be completed by an independent consultant, with the expectation that OMERS be open and transparent throughout the process by providing any relevant and requested information. Once completed, the results and recommendations of this independent review should be made public to all OMERS employers, members and retirees **in a version unedited by OMERS management, board members and sponsors.**

We also highlight in the letter that 23% of non-union/management staff do not have representation on the OMERS Sponsor Corporation Board.
