COTAPSA WORKING FOR YOU RESULTS OF OMERS PLAN RISK ASSESSMENT

In our last bulletin, COTAPSA provided information on the Plan Risk Assessment (PRA) being undertaken by OMERS to evaluate the need for plan changes.

COTAPSA is pleased to inform members that the Sponsors Corporation (SC) Board has decided that this sustainability review will not result in changes to benefits or contribution rates. Specifically, the SC Board has determined that the current level of contributions, together with their expected future level of investment earnings, positions the plan to build the resiliency it needs for the current level of benefits as the plan matures.

You can read more about the factors that the SC Board considered in making its decision [here](#).

COTAPSA will continue to monitor OMERS activities and provide input on behalf of Members to ensure your pension benefits are protected.

If you have additional questions about your pension plan, please contact OMERS Member Experience at 416-369-2444 or 1-800-387-0813
