Why Become a Member?

For nearly 60 years COTAPSA has represented the non-union staff working for the City. **Our advocacy is more important today than ever before!**

Many may think they don't need our help only to find when a problem arises, they're alone. By joining COTAPSA you will receive expert advice and support should you find yourself faced with work place issues. **We can't help you unless you're a member!**

COTAPSA also advocates for the broader membership on terms of employment, wages, and City policies that impact all our members. **The more members we have the stronger our voice will be!**

Don't sit on the sidelines, join us today!

We are funded through voluntary membership dollars. A tax deductible, \$12 per pay membership fee allows COTAPSA to fight for you. Think of your membership as '*employment accident insurance*' – ensuring we are here when you need us.
