COTAPSA WORKING FOR YOU We are Moving - Contact Details Updated

We are happy to announce that COTAPSA is currently in the process of changing office locations – more details to come late November!

Although we continue to encourage virtual appointments, we are looking forward to creating a more convenient, secure and welcoming space for our members to meet with us.

We want to ensure we continue being accessible and available to our members during this transition. If you have any questions or concerns please continue to email COTAPSA at cotapsa@toronto.ca. In addition to email, you can now reach out directly to our Executive Assistant, Jenna Asongwed, at **647-519-5115**. Jenna will make sure your matter is sent to the appropriate team member for follow up.
